

The AAHIA recommends you use the pdf program NitoReader.com to fill out our forms. The typing feature is able for clarity and legibility. It can be saved to your hard drive for easy attachment and emailing.

If you choose to print out and handwrite in the form, please make sure it is clear and legible.

You can either mail to the office (see address below on form) or email to the office@americanazteca.com. If you choose to email. The print-out version must be scanned on a flatbed scanner and saved in pdf format. No camera photos, please as they simply are not clear enough.
